VIP's 3rd National Symposium Agenda

Thursday, 11th June 2026
@ Hotel Sheraton Grand,
Rajajinagar, Bengaluru

Event Theme :

**Future Ready Poultry :
Managing Risks, Maximizing Resilience**

Topic 1

Future of Indian Poultry: Growth, Markets & Trade

Speaker : **Mr. K. G. Anand**

GM, Venkateshwara Hatcheries Pvt. Ltd. Hyderabad

Sub topics :

- Global trade opportunities & export readiness
- Demand–supply outlook & 2026–27 price forecast
- Rising cost of production – how long can industry absorb?
- Feed economics: Soya, Maize, DDGS, amino acids etc
- Impact of global disruptions (wars, logistics, supply chains)
- Integrator vs independent farmer survival
- Role of organised retail & price stabilisation

Topic 2

Farm Productivity & Operational Excellence

Speaker : **Dr. Ajay Deshpande,**

President - Vets In Poultry (VIP), India,
Founder & Director - Siddhivinayak Poultry Breeding Farm & Hatcheries Pvt Ltd, Pune

Sub topics :

- Early chick mortality: causes & prevention
- Drinking water quality & flock performance
- Feed innovations & alternative ingredients (DDGS, additives)
- Stress management in breeders & commercial flocks
- Cost optimisation vs productivity balance
- Precision farming & technology adoption

Topic 3

Consumer Perception, Branding & Market Expansion

Speaker : **Mr. Sameer Agarwal**

Managing Director, Shalimar Group of Companies, Kolkata, India

Sub topics :

- Egg & chicken perception
- Anti-poultry myths vs scientific facts
- Branding & value-added poultry products
- Frozen chicken adoption in rural & semi-urban India
- Nutrition, safety & trust-building messaging
- “Feeding the Nation First” – safe, affordable protein narrative

VIP's 3rd National Symposium Agenda

Thursday, 11th June 2026
@ Hotel Sheraton Grand,
Rajajinagar, Bengaluru

Event Theme :

**Future Ready Poultry :
Managing Risks, Maximizing Resilience**

Topic 4 Poultry Health, Biosecurity & One Health

Speaker : **Dr. Gowthaman**

Associate Professor, Veterinary College and Research Institute, Salem

Sub topics :

- Disease trends: HPAI, IBH, ILT, MetaNemo, nephritis
- Early detection via molecular diagnostics
- Vaccination strategies & future vaccine technologies
- Breeder health, EDS & vaccination protocols
- Biosecurity: cleaning, disinfection & farm design
- AMR & One Health approach
- Vaccine import challenges & policy aspects
- Water quality & its role in disease prevention

Topic 5 Human Capital & Industry Transformation

Speaker : **Mr. Ashok Kumar**

Managing Director, MAA Integrators, Bangalore

Sub topics :

- Human capital crisis: talent shortage to talent pipeline
- Skill development & veterinary leadership
- Integrator-driven value chain transformation
- Role of startups, automation & digitalisation
- Industry-academia collaboration
- Logistic & Supply chain
